Re: Baxter Healthcare Corporation – NPDES Permit # IL0024074

Dear Mr. Keller:

Please ensure this letter is on the record with the IEPA in opposition to the issuance or reissuance of any Clean Water Act (CWA) renewal permit for wastewater discharge to Baxter Healthcare, Inc., 25212 W. IL Route 120, Round Lake, IL 60073.

We insist that Baxter be connected to a public sewer prior to June 2018, when the current wastewater discharge permit expires. We oppose any permit or permit extension whatsoever for Baxter Healthcare, Inc. They have repeatedly exceeded the limits agreed to in the permit.

In addition, we expect the IEPA to levy significant fines to Baxter Healthcare, Inc. due to the repeated EPA violations in 2016, which was only one year after the IEPA entered into a Compliance Commitment Acceptance (CCA) agreement as a result of their violations in 2015.

Respectfully submitted by,
